

7th ARCH_RNT Symposium

Archaeological Research and New Technologies

6 – 8 October, 2022

Call for Abstracts
Deadline : May 31, 2022

The Symposium focuses on the use of New Technologies in the Archaeological Research (*Archaeometry, Engineering, Computing and Digital Technologies*) notably with the presentation of interdisciplinary approaches, special case studies and research on archaeological material and collections.

Sessions:

Material Studies, Environment and Digital Cultural Heritage

ABSTRACTS must be submitted electronically by **May 31**, using the template given on the web page www.laboratoryarchaeometry.gr/7th-arch_rnt

SUBMISSIONS will be reviewed by the members of the Scientific Committee. Presentations will be given either as oral or poster communications depending on the reviewers' decision, based on quality and originality.

All presentations will be eligible for publication in a **Special Issue** of a **renowned peer-reviewed journal**.
